

FOR ESTATE AGENTS, LANDLORDS & PROPERTY MANAGERS

PREPAID METERS. LESS PAYMENT HASSLE.

**Tenants pay in advance.
NPU handles the payments.**

Tenants pay before using water, electricity or gas. This helps them plan their spending as they go and avoid a big usage bill later.

HOW IT WORKS

1

Tenants pay

Tenants pay in advance for their meter usage.

2

NPU collects

We collect the payments for your property.

3

Monthly checks

We check the money collected and paid out to you each month.

Easy setup. Clear records.

Send your details and documents, sign your agreement online, and view meter information, payment records and monthly statements.

Meter repairs taken care of

Our maintenance plans take care of meter repairs, so you have one less thing to manage. Ask us about a plan for your meters.

YOUR MUNICIPAL METER & BILLS STAY.

These are extra meters within your property. They do not replace your municipal meter or cancel your municipal bills.
